

**REMARKS**

Claims 1 through 14 are pending in this application. Claim 2 is amended in several particulars for purposes of clarity in accordance with current Office policy, to assist the examiner and to expedite compact prosecution of this application. Claims 10 through 14 have been newly added. The Applicant appreciates the Examiner's indication of allowance concerning claims 1 through 9.

Th Examiner stated that the title of the invention is not descriptive and that a new title is required that is clearly indicative to which the claims are directed.

The title has been amended accordingly. The title was changed only for purposes of clarity in accordance with current Office policy, to assist the examiner and to expedite compact prosecution of this application. The amendment in the title does not limit the scope of the claimed invention in any manner.

Some minor spelling corrections were made in the specification for purposes of clarity in accordance with current Office policy, to assist the examiner and to expedite compact prosecution of this application. No new matter was added.

A minor spelling correction was made in claim 2.

The added claims 10 through 14 should also be allowable since the base claims are allowed.

In view of the foregoing amendments and remarks, all claims are deemed to be allowable and this application is believed to be in condition to be passed to issue. If there are any questions, the examiner is asked to contact the applicant's attorney.

No fee is incurred by this Amendment. Should there be a deficiency in payment, or should other fees be incurred, the Commissioner is authorized to charge Deposit Account No. 02-4943 of Applicant's undersigned attorney in the amount of such fees.

Respectfully submitted,
